For Such A Time As This

For Such A Time As This

- Moses had an encounter with God at the burning bush
- For years Moses knew of his unique calling
- For years Moses knew of his unique responsibility
- For years Moses enjoyed the comforts and pleasures of Egypt
- But then Moses murdered an Egyptian soldier — and fled Egypt

For Such A Time As This

- For years Moses was living on the back side of the desert
- For years Moses was living in denial
- For years Moses was getting along without obeying the will of God
- For years Moses was ignoring the plan of God for his life

For Such A Time As This

- For our church it is our watershed moment
- For our church is it our opportunity to obey
- For our church it is our crisis of faith
- For our church this could be our flagship ministry
